***Allowable Subject Matter***

Claims 19-33 (renumbered 1-15) are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art taken alone or in combination does not fairly suggest renewing software in software-controlled machine without opening a machine equipped with and operated by the software. Specifically, claims 19 and 26 are directed to renewing software with writing command with information card, detecting information card by sensor and storing and shifting the controller from operating mode to the renewal mode without electronically connecting it to external computer. Therefore, claimed invention improves the renewing software process and enables downloading new software to the machine without disassembling or opening them, which dispense the money.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***
